Subject: Meeting Request

Hello Sophia and Nancy,

Sophia, welcome back and congratulations! While you were out on maternity leave, I had the opportunity to meet Nancy at a briefing. Now that you are back, I look forward to working with both of you.

I am writing to request some time to meet with you this week to discuss the U.S. bilateral relationship with two countries I represent, Cyprus and Azerbaijan. I saw that the Subcommittee on Europe and Eurasia is having a hearing on Thursday and I would appreciate the opportunity to speak with you about our relationship with both nations before Ranking Member Meek attends that hearing. If you are amenable, would Tuesday, March 8th at 2 pm in your office work for you?

I look forward to seeing you again Sophia and having a chance to talk with you both.

Thank you!
